EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B, new numbers 500 A, 500 B, and 500 C), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

The term "Cuban" refers to the Cuban people (not Negroes).

CUBAN.

WEST INDIAN.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to each final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States; where; and if so, the year (or years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; or if so, what relative or friend). — The entry in column 16 should show the name and complete address of the relative or friend; and if so, the relative or friend.

Column 17 to 22. — The answers in these columns are subject to change by the

LIST OF RACES OR PEOPLES.

SERIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B, now numbers 200, 200 A, and 200 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or likewise by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or North America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy in northern Italy, i. e., with parishes of Piedmont, Lombardy, Veneto, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)." — The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$ 50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and places as 1894-97, Philadelphia.

Column 16 (Going to join relatives or friends; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

**Column 4 (Sex).** — The entry in column 4 should be either M (male) or F (female).

**Column 5 (Married or single).** — The entry in column 5 should be either M (married), S (single), Wd (widow), or D (divorced).

**Column 6 (Calling or occupation).** — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

**Column 7 (Able to read and write).** — Column 7 is subdivided and the entries therein should be either Yes-Yes (can read and write), No-No (can neither read nor write), or Yes-No (can read but not write).

**Column 8 (Nationality).** — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

**Column 9 (Race or people).** — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, a *French* appearing on a manifest does not necessarily mean a *French* by race or people, and similarly, a *French* appearing on a manifest does not necessarily mean a *French* by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

### ITALIAN (NORTH).

The people who are inhabitants of Piedmont, Liguria, and their descendants, whether residing in Italy, Switzerland, or elsewhere, should be classified as "Italian (north)," if these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are inhabitants of the portion of Italy south of the River Po in northern Italy (i. e., completely, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, or elsewhere, should be classified as "Italian (south)," if these people speak a Gallic dialect of the Italian language.

**Column 10 (Last name and city or town of origin).** — The entry in column 10 should show the country, permanent residence, instead of the present city or town, and the place (city or town) of final destination.

**Column 11 (Whether having a ticket to a final destination).** — The entry in column 11 should be either Y (yes) or N (no).

**Column 12 (By whom was passage paid).** — The entry in column 12 should be either Y (yes) or N (no).

**Column 13 (Whether possession of \$ 50, or if less, how much).** The entry in column 13 should give in each case (individual or family) the exact amount of money shown.

**Column 14 (Whether ever before in the United States; and if so, when).** The entry in column 14 should show whether or not (Yes or No) before; and if so, the year (or period of years) and place; as, 11-19.

**Column 15 (Going to a relative or friend; and if so, what friend; and if so, what relative or friend, with name).** The entry in column 15 should show whether going to a relative or friend; and if so, what relative or friend, with name.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read and write).—Column 9 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 10 (Nationality).—Column 10 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people).—The entry in column 11 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last residence).—The entry in column 12 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of \$20, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications: The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entry in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

**Affidavit of the Master or Commanding Officer, or First or Second Officer.**

I, \_\_\_\_\_ of the \_\_\_\_\_, do solemnly, sincerely, and truly \_\_\_\_\_ that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets \_\_\_\_\_ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 3 (Age).—**The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 4 (Sex).—**The entry in column 4 should be either M (male) or F (female).  
**Column 5 (Married or single).—**The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
**Column 6 (Calling or occupation).—**The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron welder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 7 (Able to read and write).—**Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 8 (Nationality).—**Column 8 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 9 (Race or people).—**The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cubes (not Negroes).  
**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.  
**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
**Column 10 (Last permanent residence).—**The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
**Column 11 (Final destination).—**The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.  
**Column 12 (Whether having a ticket to such final destination).—**The entry in column 12 should be either Yes (ticket) or No (no ticket).  
**Column 13 (By whom was passage paid).—**The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
**Column 14 (Whether in possession of \$50, and if less, how much).—**The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
**Column 15 (Whether ever before in the United States; and if so, when and where).—**The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.  
**Column 16 (Going to join relative or friend; and if so, what relative or friend).—**The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
**Columns 17 to 27.—**The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**Affidavit of Surgeon.**

I, \_\_\_\_\_, Surgeon of the \_\_\_\_\_, do solemnly, sincerely, and truly \_\_\_\_\_ that I have had \_\_\_\_\_ years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of \_\_\_\_\_, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets \_\_\_\_\_ in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).

**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, team moulder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

**Column 5 (Can read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a (Gallo) dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 10 (Last residence).**—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 3 (Age).—**The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 4 (Sex).—**The entry in column 4 should be either M (male) or F (female).  
**Column 5 (Married or single).—**The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D (divorced).  
**Column 6 (Calling or occupation).—**The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 7 (Able to read and write).—**Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 8 (Nationality).—**Column 8 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 9 (Race or people).—**The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. **Column 10 (Last permanent residence).—**The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
**Column 11 (Final destination).—**The entry in column 11 should show definitely the place (city or town) of final destination.  
**Column 12 (Whether having a ticket to such final destination).—**The entry in column 12 should be either Yes (ticket) or No (no ticket).

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widow or widower), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
SPANISH-AMERICAN.  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

## AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

## ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

## ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom sea passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

**Column 14 (Whether in possession of \$50, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**Affidavit of the Master or Commanding Officer, or First or Second Officer.**

I, L. Roger Mason, of the S/S Esperanza from Havana, do solemnly, sincerely and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationery engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "transit" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.  
**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
**Column 14 (Whether in possession of \$50, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.  
**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
**Columns 17 to 25.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**Affidavit of Surgeon.**

Manuel S. Shaw, Surgeon of the S/S Esperanza, employed by owners, do solemnly, sincerely, and truly affirm that I have had thirty years' experience as a Physician and Surgeon, and that I am qualified to practice as such by and under the authority of Minnesota, and that I have made a personal examination of one in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Franco" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marche, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR NO. 43.

**SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**  
The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.  
Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:  
CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.  
"Spanish-American" refers to the people of Central and South America of Spanish descent.  
AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.  
ITALIAN (NORTH).  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.  
ITALIAN (SOUTH).  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.  
Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.  
Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.  
Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Manuel Skashinsky Surgeon of the SS Espinosa, do solemnly, sincerely, and truly affirm that I have had thirty years' experience as a Physician and Surgeon, and that I am qualified to practice such by and under the authority of Minnesota, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, one in number, are, according to the best of my knowledge and belief, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 25<sup>th</sup> day of May, 1907  
at New York  
Manuel Skashinsky  
Immigration Officer.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 3 (Age).**—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 4 (Sex).**—The entry in column 4 should be either M (male) or F (female).  
**Column 5 (Married or single).**—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
**Column 6 (Calling or occupation).**—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 7 (Able to read and write).**—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 8 (Nationality).**—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 9 (Race or people).**—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$50, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).  
Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or Divorced.  
Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.
- "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.
- "Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarinina) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married) or S (single).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, coal miner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- AFRICAN (BLACK).**  
The term "African" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
- ITALIAN (NORTH).**  
The people who are native to that portion of the River Po in northern Italy and its compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.
- ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardeña) and their descendants should be classed as "Italian (south)."
- AFRICAN (BLACK).**  
The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
**Column 11 (Final destination).**—The entry in column 11 should show definitely the place, city or town, of final destination.  
**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
**Column 13 (By whom last passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
**Column 14 (Whether in possession of \$50, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.  
**Column 16 (Coming to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
**Columns 17 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.
- AFRICAN (BLACK).**  
The term "African" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.
- WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**Affidavit of the Master or Commanding Officer, or First or Second Officer.**

I, Jose L. Bar, of the Lucania, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationery engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classes as "transients" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race, might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded in manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to reach final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By what vessel came to United States).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as: 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend; and if so, what relative or friend, with name and complete address).—The entries in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession. Avoid taking arrival as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers regardless of the amount of money shown as wages.

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Native born).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (Black)" refers to the African, Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any white-skinned appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sarinina) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join others, relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).

**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien separately, as for example: Civil engineer, stationary engineer, locomotive engineer, mail carrier, farmer, policeman, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is first German or Belgian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-115

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy (i. e., the compartments of Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 8 (Last permanent residence).**—The entry in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as "United States" for country of last permanent residence.

**Column 9 (Final destination).**—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

**Column 10 (Whether having a ticket to such final destination).**—The entry in column 10 should be either Yes (ticket) or No (no ticket).

**Column 11 (By whom was passage paid).**—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friends; steamship company, etc.

**Column 12 (Whether in possession of \$5, and if less, how much).**—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 13 (Whether ever before in the United States, and if so, when and where).**—The entry in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place (e. g., Philadelphia).

**Column 14 (Going to join relative or friend; no if no such relative or friend).**—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 15 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**LIST OF RACES OR PEOPLES.**

Affidavit of the Master or Commanding Officer, or First or Second Officer,

I, J. C. Barr, of the Lucania, from London, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession. Look for a general as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the owner who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "Franco" by nationality. An alien who is Irish, German, or Italian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 10 (Whether having a ticket to each port of destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1886-87, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entries in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Phys. London, Surgeon of the LUCANIA, sailing therewith, do solemnly, sincerely, and truly swear that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the B. C. B., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or Single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year (or years) and place, as, 1891-95, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).—**The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).—**The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).—**The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).  
**Column 4 (Calling or occupation).—**The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron worker, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
**Column 5 (Farms or other land).—**A distinction should be made between *farms* and *farm laborers*, regardless of the amount of money shown, as follows:  
*A farmer* is one who operates a farm, either for himself or others.  
*A farm laborer* is one who works on a farm for the owner or operator.  
**Column 6 (Country of birth).—**Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
**Column 7 (Intending to pass through and out of the United States).—**Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 8 (Able to read and write).—**Column 8 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).  
**Column 9 (Nationality).—**Column 9 should be construed to mean the country of which the immigrant is a citizen or subject.  
**Column 10 (Race or people).—**The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.  
**Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:**

- CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien whose appearance indicates an admixture of Negro blood should be classed under this heading.  
**ITALIAN (NORTH).**  
The people who are native to that portion of Italy north of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)". Most of these people speak a dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".  
**Column 11 (Last permanent residence).—**The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
**Column 12 (First destination).—**The entry in column 12 should show definitely the first destination, if within the United States; country, if outside the United States.  
**Column 13 (Whether having a ticket to such first destination).—**The entry in column 13 should be either Yes (to land) or No (no ticket).  
**Column 14 (By whom passage paid).—**The entry in column 14 should show definitely, not only by whom passage was paid, as self, husband, father, brother, or other relative, but also the name of the company, etc.  
**Column 15 (Whether in possession of \$20, and if yes, how much).—**The entry in column 15 should give in each case (individual or family) the exact amount of money brought by the head of a family should not be divided among the several members of the family.  
**Column 16 (Whether ever before in the United States).—**The entry in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (see 1904-05, Philadelphia).  
**Column 17 (Persons to join relative or friend).—**The entry in column 17 should show whether going to join a relative or friend, and if so, with relative or friend, with name and complete address.  
**Column 18 to 27.—**The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 3 (Age).**—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 4 (Sex).**—The entry in column 4 should be either M (male) or F (female).  
**Column 5 (Married or single).**—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).  
**Column 6 (Calling or occupation).**—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 7 (Able to read and write).**—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 8 (Nationality).**—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 9 (Race or people).**—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.  
**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.  
**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
**Columns 17 to 27.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either "Male" or "Female".

Column 3 (Married or single).—The entry in column 3 should be either "Married", "Single", "Wid", "Widowed", or "Divorced".

Column 4 (Calling or occupation).—The entry in column 4 should be made as accurately as possible the occupation, trade, or profession of each individual, or, for example, Civil Engineer, stationary engineer, locomotive engineer, mining engineer, brewer, publisher, steel polisher, iron moulder, wood turner, etc., or, if not employed, then, peddler, mother, turner, or other indefinite designations.

A distinction should be made between farmers and fore, farmers regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the farmer who operates it.

Steamship companies should make this distinction on the manifests, and corporations should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can read but not write), or Yes, No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Italian becomes might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBANS.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIANS.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICANS.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the north of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 8 (Last permanent residence).—The entry in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies should show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom fare passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as, 1894-95, Philadelphia.

Column 14 (Giving for present relative or friend, and if so, what relative or friend).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 15 to 27. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. L. Bae, of the LUCANIA, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 2 day of April, 1907.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Civil engineer, stationary engineer, bookbinder, painter, house painter, steel polisher, sign painter, wood turner, etc., and not simply as farmer, polisher, miller, turner, or other indefinite descriptions.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes, Yes can read and write, No, No can neither read nor write, or Yes, No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1118

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (northern Italy) (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, France, the Marche, Emilia, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as (1891-92), Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Regt. Gordon, Surgeon of the LUCANIA, sailing therewith, do solemnly, sincerely, and truly swear that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of In B. Ch. B.

and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

\* Instead of showing occupation of tourists and aliens in transit, state in column 4 whether they are "tourists" or "in transit."

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. C. Barr, of the LUCANIA, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 13 day of MAY, 1907.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).  
Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Widowed, or D (divorced).  
Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession. For example, as for example, Civil engineer, Stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the owner or operator.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.  
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
Column 6 (Citizenship).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race, but "French" by nationality. An alien who is Irish, German, or Hebrew by race, but "French" by nationality. An alien who is Irish, German, or Hebrew by race, but "French" by nationality. In this connection the following distinctions should be specially observed:

CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
SPANISH-AMERICAN.  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.  
ITALIAN (NORTH).  
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
Column 8 (Last permanent residence).—The entry in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.  
Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).  
Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.

I, *J. C. Davis*, of the *LUCANIA*, from *LIVERPOOL*, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest sheets. *30* in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a contagious or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

column 7 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

column 8 (Sex).—The entry in column 4 should be either M (male) or F (female).

column 9 (Marital Status).—The entry in column 5 should be either M (married), U (unmarried), D (divorced), or S (single).

<sup>a</sup> A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown as a loss.

A *firm laborer* is the who works on a farm for the man who operates it.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed under head of occupation.

Column 4: Able to read and write. Column 5: subdeleted and the entries there should be either Yes, Yes (can read and write), No, No (can neither read nor write), or No (can read but not write). Column 6: subdeleted and the entries there should be either Yes, Yes (can read and write), No, No (can neither read nor write), or No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country which immigrant is a citizen or subject of.

Special attention should be paid to the distinction between race and nationality, and records should be carefully revised by inspectors and register clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean a French race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country in this connection the following distinctions should be especially observed:

The term "Cuban" refers to the Cuban people (not Negroes)

WEST INDIAN.  
 ... Indian other than Cuba (not Negroes)

"West Indian" refers to the people of the West Indies other than Cuba (not negroes).

SPANISH-AMERICAN

"Spanish-American," refers to the people of Central and South America.

AFRICAN (BLACK)

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any albino whose appearance indicates an admixture of Negro blood should also be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, & come from the present domain of Lombardy, Venetia and Emilia, and (indeed, might, what they are, residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (northern)". Most of these people speak a Gallic dialect of the Gallic language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tus. and the Mar. hes. Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descend-

*Country*—of permanent residence. The entries in column 2 should show the country, and city or town of last permanent residence. It is important for statistical purposes that citizenship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Column 11, Final destination. The entry in column 11 should show definitely the country to which the alien is going, if he is going to the United States, country, if outside.

place (city or town) of final destination, if within the United States; country, in case the United States.

### Affidavit of Surgeon.

I, Wm. Gordon, Surgeon of the LUCANIA, sailing therewith, do solemnly, sincerely, and truly swear that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Mass. Ch. B. and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

LIST OF RACES OR PEOPLES.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., the portions of Piedmont, Lombardy, Venetia and Brescia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to the portion of Italy South of the basin of the River Po (i. e., the portions of Calabria, Tarentum, the Mar Jonio, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 11. Last permanent residence.*—The entries in column 11 should show the place and city or town of last permanent residence. It is important for statistical purposes that steady-day citizens permanently show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 12. Final destination.*—The entry in column 12 should show definitely the place of final destination, if within the United States country, or outside the United States.

*Column 13. Whether having a ticket (passage ticket).*—The entry in column 13 should be either Yes (ticket), or No (no ticket).

*Column 14. With whom is passage paid.*—The entry in column 14 should show definitely with whom passage was paid, as self, husband, friend, brother, or other relative, friend, consular agent, company, etc.

*Column 15. Whether in possession of \$20, and if less, how much.*—The entry in column 15 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the persons members of the family.

*Column 16. How long before in the United States; and how, when and where.*—The entries in column 16 should show whether or not (Yes or No) in the United States; and if so, the year or period of years and place or places, 1904-05, Philadelphia.

*Column 17. Going to join relative or friend; and if so, what relative or friend.*—The entry in column 16 should show whether going to join a relative or friend; and if so, what relative or friend, with sufficient complete address.

The answers by these columns are subject to revision by an inspection officer in the examination of aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, vessel turner, etc., and not simply as molder, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under their occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes. No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise; Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 9 (Last permanent residence).**—The entries in column 9 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States, and if so, when and where).**—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1891-92, Philadelphia.

**Column 16 (Whether to join relative or friend, and if so, what relative or friend).**—The entry in column 16 should show whether going to join a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 19.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).

**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 5 (Can read and write).**—Column 5 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes (Nativean read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, but similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

### EUROPEAN.

The term "Celtic" refers to the Celtic people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Emilia, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Saragines, and their descendants) should be classed as "Italian (south)."

**Column 8 (Last permanent residence).**—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 9 (Final destination).**—The entry in column 9 should show definitely the place (city or town) of final destination.

**Column 10 (Whether having a ticket to such final destination).**—The entry in column 10 should be either Yes (ticket) or No (no ticket).

**Column 11 (By whom was passage paid).**—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

**Column 12 (Whether in possession of \$20 and if less, how much).**—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 13 (Whether ever before in the United States) and 14 (Whether ever before in the United States before, and if so, the year or period of your last visit).**—The entries in column 13 should show whether or not (Yes or No) in the United States before, and if so, the year or period of your last visit.

**Column 15 (Whether in possession of \$20 and if less, how much).**—The entry in column 15 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

**Columns 16 to 20.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, John R. B. R. of the LUCANIA from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).  
Column 3 (Married or Single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).  
Column 4 (Calling or Occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example, Civil engineer, stationary engineer, steamfitter, engine driver, etc., and not simply as engineer, polisher, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the farmer who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (Yes cannot read and write), No (No can neither read nor write), or Yes (No can read but not write).  
Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
Column 7 (Race or People).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "Irish" appearing on a manifest does not necessarily mean "Irish" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- Column 7 (Race or People).—The term "Cuban" refers to the Cuban people (not Negroes).
- Column 7 (Race or People).—The term "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- Column 7 (Race or People).—The term "Spanish-American" refers to the people of Central and South America of Spanish descent.

Column 8 (Whether having a ticket to each final destination).—The entry in column 8 should be either Yes (ticket) or No (no ticket).  
Column 9 (By whom was passage paid).—The entry in column 9 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
Column 10 (Whether in possession of \$20, and if less, how much).—The entry in column 10 should give in each case (individual or family) the exact amount of money shown.  
Money taken by the head of a family should not be divided among the several members of the family.  
Column 11 (Whether ever before in the United States, and if so, when and where).—The entries in column 11 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as: 1894-96, Philadelphia.  
Column 12 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 12 should show whether going to join other a relative or friend, and if so, what relative or friend, with name and complete address.  
Column 13 (In case of family).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession. Each alien arrival, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply assembler, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people, as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Italian by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.  
**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Calabria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."  
**Column 8 (Last permanent residence).**—The entries in column 8 should show the county, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as "United States" for country of last permanent residence.  
**Column 9 (Final destination).**—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.  
**Column 10 (Whether having a ticket to such final destination).**—The entry in column 10 should be either Yes (ticket) or No (no ticket).  
**Column 11 (By whom passage paid).**—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
**Column 12 (Whether in possession of \$20 and if less, how much).**—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.  
Money brought by the head of a family should not be divided among the several members of the family.  
**Column 13 (Whether entering in the United States; and if so, when and where).**—The entries in column 13 should show whether or not alien or Neg in the United States before; and if so, the year or period of years, and place, as 1898; Philadelphia.  
**Column 14 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
**Column 15 to 27.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**LIST OF RACES OR PEOPLES.**

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).—*The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 3: State.* The entry in column 4 should be either M (mar), or F (female),  
*Column 5: Married or single.* The entry in column 6 should be either M (married),  
 S (single), Wd (widowed), or D (divorced).

**Column 6 (Category of occupation).**—The entry in column 6 should be written as adequately as possible for the occupation, trade, or profession. For children or adults. For example, Civil engineer, stationary engineer, locomotive engineer, painter, etc., or, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as G. Rows:

24. *farm-labourer* is one who works on a farm for the man who operates it.

Steamship companies should make this declaration on the manifest and the declaration should be made, if necessary, by inspectors and registry clerks during the post-arrival examination of alien arrivals.

Aliens intending to pass through and out of the United States, should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column<sub>6</sub>* (Add forward and back)  $\Rightarrow$  Column 7 is subdivided and the answers therein should be either Yes=Yes (can read and write), No =No (can neither read nor write), or Yes=No (can read but not write).

*Column 4 (Nationality).* Column 4 should be construed to mean: "the country of which immigrant is a citizen or subject."

*Column 5 (Race or people).* The entry in column 5 should show the race or people as given in list on reverse; side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully viewed by inspectors and registrars in this regard. For instance, "France" appearing on a manifest does not indicate a French citizen by race or people and similarly, "France" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or French by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

TRAN.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than (Cuba, not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

### Affidavit of Surgeon.

I, Bleed Gordon, Surgeon of the LOCANTIA, do

and Surgeon, and that I am entitled to practice as such by and under the authority of  
M. D. R. and that I have made a personal examination of  
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according  
to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical  
condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. C. Barr of the LUCANIA from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Marital or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, flying engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race; "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Regd. Godin, Surgeon of the LUCANIA, **SAILING THEREWITH**, do solemnly, sincerely, and truly **SWEAR** that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Me. R. Ch. 63, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

U. S. IMMIGRANT INSPECTOR

**Affidavit of the Master or Commanding Officer, or First or Second Officer.**

I, J. C. Barr, of the LUCANIA from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 4 (Age).**—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 5 (Sex).**—The entry in column 4 should be either M (male) or F (female).

**Column 6 (Married or single).**—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

**Column 7 (Calling or occupation).**—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 7 (Able to read and write).**—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 8 (Nationality).**—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 9 (Race or people).**—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and San Marino) and their descendants should be classed as "Italian (south)".

**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-92, Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend; and if so, what relative or friend, with name and complete address).**—The entry in column 16 should show whether going to join other a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**Affidavit of Surgeon.**

I, Regd. Gordon, Surgeon of the LUCANIA, SAILING THEREWITH, do solemnly, sincerely, and truly **SWEAR** that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of \_\_\_\_\_, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 29 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).

**Column 3 (Marital or single).**—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in the reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country, by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**  
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 8 (Last permanent residence).**—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 9 (Final destination).**—The entry in column 9 should show definitely the place (city or town) of final destination.

Aliens coming to the United States only for a temporary sojourn, not intending to pass through in transit, should be recorded in this column as tourists by destination.

**Column 10 (Whether having a ticket to such final destination).**—The entry in column 10 should be either Yes (ticket) or No (no ticket).

**Column 11 (By whom was passage paid).**—The entry in column 11 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

**Column 12 (Whether in possession of \$20, and if less, how much).**—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 13 (Whether ever before in the United States; and if so, when, where, and where).**—The entries in column 13 should show whether or not (Yes or No) in the United States before and if so, the year (or period of years) and place, as, 1904, St. Philadelphia.

**Column 14 (Coming to join relative or friend; and if so, what relative or friend).**—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 15 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of alien.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, sheet polisher, ironmolder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money received, as follows:  
A *farmer* is one who operates a farm for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Ships' companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be placed as "transients" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people whose native, to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

**Column 8 (Last permanent residence).**—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that ships' companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race. Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1884, 95, Philadelphia. The entry in column 15 should show whether going to join relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**Affidavit of the Master or Commanding Officer, or First or Second Officer.**

I, J. B. R. of the LUCANIA from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

COMMANDING Officer.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 3 (Age).**—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 4 (Sex).**—The entry in column 4 should be either M (male) or F (female).

**Column 5 (Married or single).**—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

**Column 6 (Calling or occupation).**—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, chemist, fisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and connections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 7 (Able to read and write).**—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 8 (Nationality).**—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 9 (Race or people).**—The entry in column 9 should show the race of people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

**ITALIAN (NORTH).**  
The people who are native to that portion of Italy north of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardeña) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardeña) and their descendants should be classed as "Italian (south)."

**Column 10 (Last permanent residence).**—The entry in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$50, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1884-85, Philadelphia.

**Column 16 (Going to join relatives or friends; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 27.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Brown, of the LUCANIA from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be confined to mean the country of which immigrants are citizens or subjects.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Regd. Gordon, Surgeon of the LUCANIA, SAILING THEREWITH, do solemnly, sincerely, and truly **SWEAR** that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, sailing engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard.

For instance, "France" appearing on a manifest does not necessarily mean "French;" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race may mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 10 (Whether having a ticket to such final destination).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

Column 11 (By whom was passage paid).—The entry in column 11 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 12 (Whether in possession of \$20, and if less, how much).—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 13 (Whether ever before in the United States; and if so, when and where).—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1898-97, Philadelphia.

Column 14 (Going to join relative or friend; and if so, what relative or friend; and if so, what relative or friend, with usual and complete address).—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with usual and complete address.

Column 15 to 17.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Regd. Grant, Surgeon of the LUCANIA, sailing therewith, do solemnly, sincerely, and truly SWEAR that I have had 40 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Me. **Affidavit of the Master or Commanding Officer, or First or Second Officer.**

I, J. C. Barr, of the LUCANIA, from LIV-POOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

**Affidavit of Surgeon.**

I, Regd. Gordon, Surgeon of the LUCANIA, sailing therewith, do solemnly, sincerely, and truly **SWEAR** that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 2 day of MAY, 1907, at NEW YORK.

Immigration Officer.

\* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Marital status).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationery engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.  
**Column 5 (Address).**—The entry in column 5 should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
*A farmer* is one who operates a farm, either for himself or others.  
*A farm laborer* is one who works on a farm for the man who operates it.  
 Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
**Column 6 (Country of birth).**—The entry in column 6 should be recorded under head of occupations "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under a head of occupation.  
**Column 7 (Date of last arrival).**—Column 7 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).  
**Column 8 (Nationality).**—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 9 (Race or people).**—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
 Special attention should be paid to the distinction between race and nationality; and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.**  
 The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
 "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
**SPANISH-AMERICAN.**  
 "Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
 "African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.  
**ITALIAN (NORTH).**  
 The people who are native to that portion of Italy north of the River Po, (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.  
**ITALIAN (SOUTH).**  
 The people who are native to that portion of Italy south of the basin of the River Po, (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." The entries in column 10 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
 Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
**Column 11 (First destination).**—The entry in column 11 should show definitely the place, city or town, of final destination.  
**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).  
**Column 13 (By whom last passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.  
**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.  
 Money brought by the head of a family should not be divided among the several members of the family.  
**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894 U. Philadelphia.  
**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.  
**Column 17 (a. c.).**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**LIST OF RACES OR PEOPLES.**

In case of showing occupation of territory and claims in transit, state in column 6 whether they are "tourists" or "in transit". "Tourists" is to be shown in column 6, and the language they speak. List of race will be found on back of this sheet.

I, J. C. Parr, of the LUCANIA, from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 25 day of MAY, 1907

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 4 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens (including to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 5 (able to read and write).**—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 6 (Nationality).**—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to that portion of Italy north of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sariniana) and their descendants should be classed as "Italian (south)."

**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be regarded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place, city or town, of final destination.

**Column 12 (Whether having a ticket to reach final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States; and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**LIST OF RACES OR PEOPLES.**

\* Instead of showing occupation of tourists and aliens in transit, state in column 6 whether they are "tourists" or "in transit."  
† "Race or People" is to be determined by the check from which alien came and the language they speak. List of race will be found on back of this sheet.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Barr, of the LUCANIA, from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

COMMANDING Officer.

State whether Master, First or Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (males) or F (females).

Column 5 (Married or single).—The entry in column 5 should be either Married, S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

- CUBAN.  
The term "Cuban" refers to the Cuban people (not Negroes).
- WEST INDIAN.  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).
- SPANISH-AMERICAN.  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, European Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., portions of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Etruria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak the Latin dialect of the Italian language.

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 12 (Whether buying a ticket or No (no ticket)).—The entry in column 12 should be either Yes (tickets) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of \$20, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or years) and place, as 1894-95, Philadelphia.

Column 16 (Family for whom relative or friend sent if he, final relative or friend).—The entry in column 16 should show whether going to join other a relative or friend; and if so, what relative or friend, with name and complete address.

Column 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Regd. Gordon, Surgeon of the LUCANIA, SAILING THEREWITH, do solemnly, sincerely, and truly **SWEAR** that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the B. O. O., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)."

**Column 8 (Last permanent residence).**—The entries in column 8 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nativity, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 9 (Final destination).**—The entry in column 9 should show definitely the place (city or town) of final destination.

**Column 10 (Whether having a ticket to and from last destination).**—The entry in column 10 should be either Yes (ticket) or No (no ticket).

**Column 11 (By whom passageway paid).**—The entry in column 11 should show definitely by whom passageway was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

**Column 12 (Whether in possession of \$20, and if less, how much).**—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 13 (Whether ever before in the United States; and if so, when and where).**—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

**Column 14 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 14 should show whether going to join other a relative or friend; and if so, what relative or friend, with name and complete address.

**Column 15 (Answers in these columns are subject to revision by any inspection officer in the examination of aliens).**

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: (Cycl) engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, vessel turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 8 (Last permanent residence).**—The entries in column 8 should show the country, and city or town, of last permanent residence. It is important, for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States (or country of last permanent residence).

**Column 9 (Final destination).**—The entry in column 9 should show definitely the place (city or town) of final destination.

**Column 10 (Whether having a ticket to such final destination).**—The entry in column 10 should be either Yes (ticket) or No (no ticket).

**Column 11 (By whom was passage paid).**—The entry in column 11 should show definitely by whom passage was paid, as self; husband; father; brother; or other relative; friend; steamship company, etc.

**Column 12 (Whether in possession of \$5.00 and if less, how much).**—The entry in column 12 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 13 (Whether ever before in the United States and if so, when and where).**—The entries in column 13 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-95, Philadelphia.

**Column 14 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 14 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 15 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, J. B. Bair, of the LUCANIA, from 414-304, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 4 (Age).**—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 5 (Sex).**—The entry in column 5 should be either M (male) or F (female).  
**Column 6 (Married or single).**—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).  
**Column 7 (Calling or occupation).**—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 8 (Able to read and write).**—Column 8 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 9 (Nationality).**—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 10 (Race or people).**—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance: "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).  
**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).  
**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Etruria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.  
Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.  
**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.  
**Column 15 (Whether ever before in the United States; and if so, on what date).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-5 Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Column 17 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, coal turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**

"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to that portion of Italy south of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak Italian dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to reach final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom ticket passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States, and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891-92, Philadelphia.

**Column 16 (Going to join relative or friend; and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 22.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, J. C. Barr, of the LUCANIA, from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists of Manifest Sheets, 23 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 2 day of MAY, 1907

State whether Master, First or Second Officer.

**Affidavit of Surgeon.**

I, Regd. Gordon, Surgeon of the LUCANIA, SAILING THEREWITH, do solemnly, sincerely, and truly **SWEAR** that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 23 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

\* State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.**

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).

**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply seaman, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people; similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**  
"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

**ITALIAN (NORTH).**  
The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

**ITALIAN (SOUTH).**  
The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States, and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894, St. Paul, Minn.

**Column 16 (Giving to him relative or friend, and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Column 17 to 20.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

**LIST OF RACES OR PEOPLES.**

U. S. IMMIGRATION SERVICE

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. C. Bass, of the LUCANIA from LIVERPOOL, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 23 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or insane person, or a pauper, or is likely to become a public charge, or is suffering from a loathsome or a dangerous contagious disease, or is a person who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or a polygamist, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

COMMANDING Officer.

Sworn to before me this 25 MAY 1907 day of 1907,  
at NEW YORK.

State whether Master, First or Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

**Column 1 (Age).**—The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.  
**Column 2 (Sex).**—The entry in column 2 should be either M (male) or F (female).  
**Column 3 (Married or single).**—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).  
**Column 4 (Calling or occupation).**—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:  
A *farmer* is one who operates a farm, either for himself or others.  
A *farm laborer* is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.  
**Column 5 (Able to read and write).**—Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).  
**Column 6 (Nationality).**—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.  
**Column 7 (Race or people).**—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.  
Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

**CUBAN.**  
The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**  
"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

**SPANISH-AMERICAN.**  
"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." **Column 10 (Last permanent residence).**—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.  
**Column 11 (Final destination).**—The entry in column 11 should show definitely the place (city or town) of final destination.

**Column 12 (Whether having a ticket to such final destination).**—The entry in column 12 should be either Yes (ticket) or No (no ticket).

**Column 13 (By whom was passage paid).**—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

**Column 14 (Whether in possession of \$20, and if less, how much).**—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

**Column 15 (Whether ever before in the United States, and if so, when and where).**—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891-92, Philadelphia.

**Column 16 (Going to join relative or friend, and if so, what relative or friend).**—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

**Columns 17 to 25.**—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Regd. Lord, Surgeon of the LUCANIA, sailing therewith, do solemnly, sincerely, and truly **SWEAR** that I have had 6 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M. D. Ch. St., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 23 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 25 MAY 1907 day of 1907,  
at NEW YORK.

Immigration Officer.
